

Clean Air Day Events - June 2

PAMZ, Alberta Environment, The City of Red Deer and Red Deer Library partner for Clean Air Day at the Red Deer Public Library.

Join us for the Environmental Lunchbag Seminar Series "Clean air and how to keep it that way". Kevin Warren, Executive Director of the Parkland Airshed Management Zone will be presenting the role of PAMZ and the Clean Air Strategic Alliance in ongoing air quality management.

Where: Red Deer Public Library in the Snell Auditorium

When: 12:05 to 12:50

The Parkland Airshed Management Zone's Action HERO program - Action for Health and the Environment by Reducing Ozone - will be presenting its inaugural Certificate of Recognition to the City of Red Deer. Mayor Flewwelling will be receiving the award on behalf of city council for its "Excessive Idling Avoidance Campaign".

Where: Red Deer Public Library (south side in front of the MAML)

When: 1:30 p.m.

Alberta Environment's Mobile Air Monitoring Laboratory (MAML) will be on location from 11:00 to 2:00. Take a tour and learn about the role of the MAML in air monitoring across the province.

Where: South side of library (49th Street)

When: 11 a.m. to 2 p.m.

Facts about the Mobile Air Monitoring Laboratory

- This specially equipped vehicle can provide immediate air quality "snapshots"
- Onboard GPS can pinpoint the vehicle's position to within 100m.
- MAML is used to respond to air quality concerns across the province
